20 votes, 13 comments. Okay, our phones are powerful enough.

Where is my Fable: The Lost Chapters for Android and iOS?

Really! I would easily pay... I was sure that I would find it in my iTunes device. I couldn't find her on Facebook either. I checked my social media to see if there was anything about the game. But found nothing. I

---

couldn't figure out why the game wasn't in my phone library. After I checked all my devices, I couldn't believe the game was gone. I could not understand where it had disappeared, and how it could disappear from all my devices if I did not install it there myself. I was incredibly furious. I was angry.
