orkingBLOOMINGTON, Ind.
— The IU men’s basketball
team learned Tuesday that
guard Victor Oladipo will miss
the remainder of the season
after he suffered a meniscus
tear in his left knee during a
win against Minnesota on Feb.
8. “We continue to gather
information about Victor’s
injury,” head coach Tom Crean
said in a statement. “At this

time, we do not have a timeline for his return.” Oladipo was selected to the Big Ten All-Academic Team Monday morning. Oladipo, an All-Big Ten honorable mention choice, became the first IU player in school history to lead the league in scoring in consecutive seasons. He finished the regular season with a team-high 19.5 points per game. Indiana (26-6, 14-3 Big Ten) has earned a

berth in the Big Ten

Tournament to be held April 5-8 in Cleveland, Ohio. Tradebit Reviews Tradebit is the worlds largest marketplace for digital files, with over 2.5 million satisfied customers and millions of digital products. Online for over 12 years, Tradebit is the best place to find files like music, video tutorials, repair manuals, and more. If you're curious about how much our

users love Tradebit, read reviews from real buyers! Install this amazing app on your android and get all the World class Real Hijack Software Files. All of these files are give to you by the government. This is the most important thing in the world. You have to protect your privacy. In the usage of these files you don't need to be the center of the government. You can use their files simply.

Now all of you are aware how important it is to keep your privacy intact. The government is on a mission to sweep up all the people who do not have this amazing app and gather some data. This is the sole purpose behind the creation of the app "Real Hijack" which you have to download and install on your android devices. Real Hijack is a very popular application which keeps you in the loop

with the latest and greatest Android apps and games. It also gets you updates on the most popular paid apps in the Google Play store. The app Real Hijack also collects intelligence on the user experience, user reviews, new releases and a lot more. The app
