Nine days later, he awoke to find his friendâ€™s body was still at the bottom of the pool. What I'm looking for is a cash system with an offline way to not have the virtual currency for a month's worth of play and not lose anything that I've already purchased. I really think that there should be an offline way of trading between factions. I'm just a new player. Register to post: He is the only one on the board to own a custom paint shop.
