The creators of Breath of Fire 4 have created a brand-new fantasy action RPG, where you can freely customize your character using a new, in-depth character system. Explore a vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. Creatively combine a vast variety of weapons, armor, and magic to grow your character, and develop your own play style according to your preferences. **DISCLAIMER:** All game titles presented on this website are fictitious. The settings, plot elements, and characteristics of all of the characters (protagonists and antagonists alike) found within those games are entirely imaginary and do not resemble actual persons living or dead. No actual offence is intended or implied. As such, we claim the right to use any and all trademarks mentioned within for the purpose of reviews, for the purposes of promotion, for both private and trade use, on a royalty free basis so we can share information with like-minded individuals and other media outlets. You may be aware of the U.S. Trademark Law regarding the use of [Primarily] Native American based images and slogans as registered with the [USPTO] and/or any other ruling bodies that may be current at the time. Whilst we strive to produce an accurate representation of an [Red] Indian™, there may be instances where we are unable to do so entirely. We do however recognise that the use of said images is protected under the law and we are not trying to infringe on any rights. We also do recognise that, just as we strive for accuracy, it is possible to be 100% accurate and thus, try not to use any images that you are aware are the subject of legal claims of any kind. If you do come across any of the imagery mentioned and it causes you a problem or concern, please let us know and we can remove it. If you are a representative of a company that wishes to have any images or icons removed for any reason, or require any additional information, please contact us and we will assist you. We are always available to assist, whether you are aware of a particular trademark or not. Thank you, and enjoy!

... It will probably crash or you will be banned... 08-08-2012, 04:47 PM thelamb01 LOL! well I cant quit these games, they are addictive! 08-08-2012, 04:49 PM EagleStress Quote: Originally Posted by thelamb01 LOL! well I cant quit these games, they are addictive! I wish there was a way to disable achievements for games like this. 08-08-2012, 05:40 PM Atomika Quote: Originally Posted by EagleStress I wish there was a way to disable achievements for games like this. There is. Go in your Settings. Deleting things, enabling things, or changing things is all done by check boxes. Look through them to find what you want to be disabled, turned off, etc. 08-08-2012, 07:59 PM malviro A couple of issues... the interiors are vertical... so kinda a pain to use the skill/weapon/armor viewing ability... (making the eCurve more prominent is a definite downgrade however) using the 'copy attribute' function, when it quits, it goes to the resume screen and you have to select the map and run the game from there. so it's like Quote: What do you want to copy??? A) to the resume screen B) to the map selection screen going from A to B, is an intentional click, so i'm just wondering how to control a game that's going to the resume screen from A... this game is george orwellian... the tea leaf
