A fictitious fantasy action RPG based on the internal world of the game developer "flump" Studio. Its storyline was created based on the world's idea and experiences. The world of Elden Ring Crack is a world that is divided in thirteen regions, where people interact with nature, with others, and with the world of magic. The story begins with the rise of the ancient civilization of the Elden Ring, where each hero who discovers the legendary Elden Ring and wields its power is granted a spell that helps them become a god. However, after an eternity of peace, a new evil is moving toward the thirteen regions. A deadly hunter, determined to smite anyone who dares to oppose his will, preys on the peaceful lands to keep its fearsome power. The player, a pawn of fate, is drawn into the world of Elden Ring and must become a hero that will fight to unravel the mystery of this dark continent and save a mankind doomed to destruction. ABOUT flUMP STUDIO. flump Studio is a game development company that is focused on independent and original games with a unique mix of fantasy, action, and the subjective world of gaming. What's new:

About This Game A soul-shaking action RPG. Become a Tarnished Swashbuckler and wield the power of the Elden Ring in this epic fantasy adventure to become an Elden Lord. If you have been searching for an Action RPG where you can play with hundreds of thousands of players as one protagonist and be guided by the grace of the Land, draw lightning with the power of the Tarnished Sword, and go to heights where humans can never reach, Odin Sphere is the game you have been waiting for. The ultimate goal of the epic tale is to obtain the power of the Elden Ring, and you are the reincarnation of one of its commanders. You can form a party that you can lead to adventure and defeat the forces of evil, or you can follow the path of someone else and demonstrate your strength in the Story Mode. In addition, we have Story Mode where there are changes in the game's battle system that you will encounter depending on your actions in the game. You can use your decision regarding your own choices of actions to greatly affect the Story Mode. ➤ Become a

Tarnished Swashbuckler Swashbuckling with the powerful Tarnished Sword and the majestic shield Tarnished Glyph. Swim in the powerful waters of the World Tree, and save the Land in the memories of Fyer. Everything that happens in Odin Sphere, even the battles and events, is all pre-determined. However, much of the story is changed by your decisions in that story. ➤ Leader of a Party Create your own party and become the leader of a squad of Swashbucklers. By assigning jobs for party members and making sure that your own party members gain experience to increase their strength, you can freely develop your party to a level of a leader. ➤ A Journey to a New World Travel with buddies and plunge into the dangerous lands of the Lands Between! You will encounter an endless stream of rich monsters as you are gradually guided by the grace of the Lands Between. ➤ An Epic Adventure in a World Fully Designed by Odin Sphere The action takes place in a vast and well-designed world that is simultaneously being built. In addition to a story developed by a group of amateurs, the picture is gradually filling in with the inklings of the gods, the secrets of
