ECAM. Those links work for the Wii U, this works for the 3DS. Q: Cartthrob compare products not working I installed the CartThrob 2.6 plugin to compare products. It says it works fine but it's not working for me. Nothing's happening when I click on the compare button on any product except the first one in the list. I have Joomla 3.3.2 running and I am using Windows 7. Anyone had this problem before? A: I have used CartThrob several times to compare products. It has been working fine on my Macbook Pro (OSX 10.10) and PC (Windows 8.1). But I just found that it doesn't work on a Windows 7 PC (version of Joomla is 2.5). The problem is that in the legacy version the "compare products" plugin is not enabled by default. So the following steps are necessary to get it to work: Make sure that you have the CartThrob Plugin enabled in the back-end. Note that you may need to restart the back-end after this. Click on the "compare products" link: The main site is now displayed with the list of available products on one side, and the selected product on the other side: Click on the compare products link next to the selected product: The other list is displayed of products, that can be compared: my way back." "I trust you are happy to be back." "Your Majesty, it's with deep regret... that I must inform you of the premature death of His Majesty, the King of Poland." "And I come to let you know that I am taking his place." "Antiochus?" "You are now our ruler." "You are the rightful king of the world." "You are my responsibility." "I will take my place as the leader." "I will not be usurped." "You must decide what to do about Egypt." "From now on, Egypt is no longer my concern." "You are in command." "Antiochus, I would like to know what you have just spoken to the Queen about." "What has this to do with you?" "I have just seen it." "Antiochus, this isn't Egypt." "You cannot throw us over to a murderer." "I can
