If it were not for a few long chat sessions, it will be "Swiss Cheese" for him. I could understand his lack of enthusiasm for Brussels, but Belgium has just as much to offer. I think that they understand the fans, and the potential of the club. I think that all the deals are done, and it is now all about getting the right player in. I hope that Mr A has made his final decision, and that things will go well. As far as I am aware, Sissoko is not going to be available, but from the few clips we have seen he looks like a good player. The public have called for more creativity, and I hope that Mr W will give them something to go on. Season tickets are a great way to go. I suppose it is one of the main reasons that I and a few others have them, although this year have proven to be a bit of a write off. We get a lot of flak when we support the team, and we do have a lot of issues this year, but at least we are all behind the manager in this time. Hopefully they will do well. As for the rest of the team, there is no need for a ream of reasons why, but I guess I will leave it there. There is no need to panic, we are in for a tough season but we are expecting to do well, and for that we need our manager to come out and do his business. It will be great to see this new style of football. £126.00 plus shipping @ £23.00 Norton Internet Security 179012 Product Key I hope everyone enjoys the games, and we will see you all on the 26th.
