However, it is supposed to add a comma between each number and won't add any comma at all when there is only one value in the row. Does anyone know how to add a comma? And could you explain why it is doing it as well. Thanks in advance. foreach (GridViewRow row in grdPrograms.Rows) { int id = Convert.ToInt32(row.Cells[2].Text); string DayPrograms = Convert.ToString(Convert.ToInt32(row.Cells[4].Text)); if (DayPrograms != null) { con.Open(); SqlCommand cmd = new SqlCommand("SELECT" + " \*" + " FROM PROGRAMS" + " WHERE ID =" + "" + id + "",

Basketball Scoreboard Pro 2.0.9 Crack .Now that the Summer Tour is starting in Sydney, I have seen exactly... 0 posts. Then again I have seen less than that by now. KISS and the soloists must be real busy to have not posted. Is the tour for the US or the Summer Tour starting? I have been really busy and I didn't even make time to post this yet. Hate to break it to you guys, but KISS are one of the biggest rock bands in the world. They can certainly afford to do more than 1 show a week, and if they have the time, they definitely should be posting more than once a week. Never say never. It could be KISS just got extremely busy or something. Maybe Jay needs a vacation. Or he took time off because he is getting married. Or he wanted to take on a new challenge. That has happened before. Logged Just because you have the ability to close your eyes doesn't mean you should. Hate to break it to you guys, but KISS are one of the biggest rock bands in the world. It could be KISS just got extremely busy or something. Maybe Jay needs a vacation. Or he took time off because he is getting married. Or he wanted to take on a new challenge. That has happened before. I'm not bashing KISS or Jay. I just think it's pretty cool to see that KISS fans are taking this little competition thing so seriously, and that their leader is acknowledging it.
