Metroidvania Retro 7: Monsters Inc. New Leaf:
-Monster and character development limit has
been extended to match the original “Being
called the main character is different from
being a hero.” The protagonist of this tale is a
genius scientist who wishes to contribute to
the world. He has thus completed a new
machine to build a different world, but the
machine explodes, killing his friends. After its
crash-landing, it finally comes into contact
with a seed from another world. This allows
the protagonist to finally see the broken world
that he created, and where he betrayed his
love. “History, for me, began with this story.”
“One and One Make Two” is the player’s
journey to find his past self and his love, whom
he leaves behind in the process. “Metroidvania

Retro 7: Monsters Inc.” will be presented at this year’s PAX East. FINAL FANTASY IV ©

UNIVERSE: -New Quest that changes the fate of the earth. The hero meets an elf girl named Lara, who was raised by a monster to protect him as a pet. Paying no attention to the fact that he is a monster, she befriends him, and the two start on a journey of love and friendship. In order to rescue a missing girl who is also a monster, they must unite with a mysterious dragon with a thirst for power. As they fight to escape the political struggle of monsters and the humans that control them, they find their destiny as dragon slayers and their love for each other in the process. This world is a connection between the world of humans and that of monsters, and its fate is changed through the alignment of the monster and the human. Final Fantasy IV © 1997, SQUARE ENIX CO., LTD. FINAL FANTASY VII © 1997, SQUARE ENIX CO., LTD. TORNA UNIVERSE: -New quests that change the fate of the earth. In the final battle between the heroes and the rebel monsters, the powerful global network and its leader were destroyed.

In the present world, the man who was the leader of the underground rebel monsters, a lizard named Nausicaa, now wants to
