Canon PowerShot G5

The Canon PowerShot G5 isn't cheap, but it's a

tough value if you're looking for a replacement for your fixed-lens point-and-shoot, and although the fish-eye effect in some of the images isn't going to make you your cover picture, it's hardly a deal-breaker. The G5 looks about the same as its predecessor, the PowerShot G3, and it performs similarly. It's

still extremely compact
and light, at 14.3
ounces, as compact as
any of the new
mirrorless point-and-
shoots that are on the
market, and compact
enough that 6d1f23a050
