WLN Media Networks, LLC, offers Cable subscribers high definition (HD) and standard definition (SD) content free-to-air on all major cable and satellite television providers. WPBN.org is powered by WPBN Media Networks. WLN Media Networks, LLC and the WPBN Media Network logo are trademarks of WLN Media Networks, LLC ' 3D-Smart-card 1.1 In the case of an at least partially charged card (also referred to as partially charged), the supply voltage on the face side of the card shall be applied to all electrodes on the back side of the card (also referred to as back side of the card, intermediate or backside). In the case of a fully charged card, the supply voltage on the face side of the card shall be applied to all electrodes on the back side of the card, while the supply voltage on the back side of the card shall not be applied to any of the electrodes on the face side of the card. Charging options for the 3D-SmartCard depend on the credit card type and manufacturer, the included connector type and the interface mode. For example, the format CC1 specifies 3D-SmartCard interfaces as A or B, while CC2 specifies 3D-SmartCard interfaces as A, B or C. The formats CC4, CC5, CC7, CC8 and CC10 specify interfaces with the format CC4 as the identification standard (MID format). For interfacing a 3D-SmartCard with a 3D-SmartConnector, the following abbreviations shall be used: MID Modul-Identifikations-Standard für die das Smartcard-Signal Manufacturer specific formats are not listed. 3D-Smart-card format 3D-Smart-card format File format for the recording medium in the 3D-SmartCard. The format listed here is only the storage format of the 3D-SmartCard, not the input format to the 3D-SmartCard or the data format at the point of data transfer to the PC. The recording medium in the 3D-SmartCard can be removed and replaced at any time without significant losses of data. The recording medium can, for example, be a microSD card. The format listed here is only the storage format of the 3D-SmartCard, not the input format to the 3D- c6a93da74d
