Asher Roth, Asleep In The Bread Aisle Full NEW! Album Zip

Yeah, I couldnt be happier, but Ive always wanted to release something in the summer time, just to get the summertime vibe. You see, in my day, the beginning of summer was the first week of June, and the last week of summer was the first week of August. At five o'clock in the morning, the summertime air would hit us like a slap in the face. I am happy with Asleep in the Bread Aisle. It is a great record. Yes, I would never leave a girl who didnt care and I would never let anyone stick their nose in the business. Unless theyre friends, you know. Half-friends, you know? Roth said. It has always been about the human needs and ensuring that if you stick to the basics, life will work. I never turn down for free. If I had to work 100 hours a week for free, I'd do it, and thats what it was all about. I love films like the Dark Knight and Inception that keep me honest. When I play them, I ask myself, do I live in a world that holds truths, or do I live in a dream world? Then, the shit that happens in the world takes over my life, and then I become an emotional train wreck. When I am happy, I can be happy for a really long time. When I

am sad, I can be sad for a really long time. But when the shit comes up and i get emotional, then I deal with it all and then I pick myself up. Theres this man that I was going to marry, and I found out that he had one foot in the prison system. I just made it two inches to the prison. Aww, man, I was really close, Roth said. I almost made it. So you are, well, a testament to the fact that your hard work and some luck can pay off. But I think its harder and rarer for women to succeed. When you do succeed, you owe it all to women for not letting them out of the box. Its tough. And when you have children, it gets tougher.
