

Download

Runic Games has got more features in the latest Torchlight update. Clickable Monster Basher is now at version 1.15, Thursday, February 11, 2010, according to a Steam post. File size: 410.7 MB. By clicking on the link, you can learn more about Monster Basher, as well as download the game. Now it's a game with 4D effects and characters. You may also hear music that "sounds like music around a racing game" and "like an old racing game soundtrack". Monster Basher is a racing game all about destroying monsters. You can find the game under "Racing" by default in the launch menu. You can also switch to the Games section of the launch menu to view and play Monster Basher.
