### Why Delegating Is So Hard

Yesterday I decided to start delegating some of the administrative tasks in our business. Delegating is harder than I thought it would be. I'm not used to delegating so I thought it would be a breeze. Turns out it's not. I thought I'd share with you my experience, and hopefully, help you avoid some of the pitfalls that I've experienced.

### Why Delegate?

There are several benefits to delegating: The tasks you delegate are often completed quickly. I've never tried to complete a task that took a lot of time, but I've delegated it to someone else who has that capability. I had one project for a client where it took a couple of weeks to get a web site up and running. I delegated it to my IT team and they

got it done in a couple of days. You don't have to constantly be engaged in completing the work that you delegate. You can delegate to someone else to complete the work. You can also
