The report is called "Global Trends 2025: A Transformed World," and it was authored by retired Gen. David Petraeus, who was the Army's chief of U.S. forces in Iraq and Afghanistan, and author and former U.S. envoy to Pakistan Anne W. Patterson. The report, which was made public in Washington on Tuesday, makes several interesting observations about the state of affairs around the world today, including those relating to China. But it
