Bebo. Plot: . The All-India Animal Welfare Society is an organisation for people who have an interest in Animal Welfare. The Society endeavours to draw attention to animal cruelty and racism, and educates people about the facts about Animals. We wish to bring to the notice of our readers the constant atrocities to animals being inflicted by human hands everywhere in the world and most especially in India. The Society is an independent non-governmental and non-profit making organisation, whose efforts are directed towards education and mobilisation of people who are against the cruelty. The Society is dedicated to the cause of Animal Welfare and strives to bring to the notice of public about the cruel to man relation of some animals used as domestic pets. Our current focus is the cause of dogs. We have information and believe that if one goes a step forward to stop animal cruelty, it will take us a step forward for the development of society. Last mission to repair the Hubble telescope Hubble space telescope discoveries have enriched our understanding of the cosmos.
